

Homework Club

VVCC Homework Club meets MTWTH for 1st thru 5th grades. Homework Club is held in two classrooms at VVES. Children signed up for Homework Club are expected to go to homework when it is called on MTW. Thursday is an optional day, unless they have paper homework.

“All Check” teachers will mark children going to homework. Children come in, get their backpacks, sign out for homework, and go to the assigned rooms.

Teachers in the homework room will help children understand what is being asked of them, and all students can ask for help by raising their hands.

This is not one-on-one help. We do not check answers. We encourage parents to check their child’s homework at night and let us know if there is a continuous problem.

Ultimately, it is the child’s responsibility to have an active role in Homework Club. VVCC makes every effort to ensure your child will go to homework, utilize his/her time wisely, and develop study skills.

Homework Club meets from 3:10 PM - 4:10 PM (MTTH) and 2:15 PM - 3:15 PM (W)

I, _____, will follow the rules of Homework Club.
(Name of Child)

(Parent/Guardian Signature)

(Date)

Please note: Homework contracts must be filled out every year.
